SUMMARY OF MEMBERSHIP RULES (for complete, see Huishoudelijk Reglement (in Dutch) at www.abc14.nl):

- The ABC'14 administrative year runs from May 1 until April 30. The season starts after summer vacation and continues until the end of May. There will be no training and no regular badminton during school vacations.
- When you become a member, you are required to pay the contribution for the entire season (from date of membership).
- Termination must be sent to the members administration via mail or e-mail (ledenadministratie@abc14.nl), at least one (1) month before the end of the administrative year. This means your termination has to be received before April 1. Without a notice of receipt, the termination has not been received.
- If termination is not done according to article c, the membership will automatically be renewed for the entire next season.
- Youth members (under 18 years of age) should fill in the Registration Form Youth, and have it signed by a parent or caretaker.
- You will receive an invoice for the contribution. The first invoice will also include the registration fee.

During the membership of ABC'14, it is possible that pictures are taken of the member in the character and the practice of club activities. These pictures may be used by ABC'14, for instance on the website or social media. For this type of recordings the copyright remains with the club. If you wish to object against publication, you must do this in writing to the chairman of ABC'14. ABC'14 will then take an extra careful approach on publication.

I agree with the conditions written above.
